That works for me. Can you double check the listed claims to make sure they are right before I send copies to Nathan and the Record Center.

Thanks

There is no hurry. What would an electronic signature look like?

Team – Sunnyside’s signed consent for access.

Liz or Paula – Can one of you print this out, sign the accepted line, scan and send it back to the team and I will send a copy to Nathan? Then lets put the copy you sign into the records.

Thanks
